- A. HOPE SPRINGS Christian Learning Center provides each year a learning experience through a week long school trip. Each student plus a parent or adult chaperone are expected to attend. The cost usually ranges between \$400.00 - \$750.00 per person, depending on the expenses of the trip planned.

- B. HOPE SPRINGS Christian Learning Center also has an annual Golf Classic in the spring of each year in which all parents are expected to participate in by generating a minimum of \$500.00 in prizes or donations and two foursomes of golfers.
